

As the UK distributor for Viper products, we can not only supply your Viper consumables, but we also offer full service and repair for your Viper 8000 and GT Recovery / Recycle Machines. We can also service and repair the Bluepoint / Snap-On range of Viper based Recovery / Recycle Machines offering a fast and efficient turnaround on repairs in the shortest possible time.

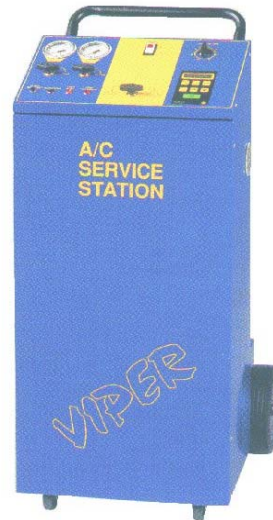

We can also offer a loan Viper, while your unit is being repaired @ £10/day + VAT
